Decision:

Send QT codes and answers to Mats, he will take care of it (tell Deborah)

#2 - 08 Sep 2016 12:53 - Lukas Vonlanthen

- File qt_2_2_2_2_other.xls added

- Status changed from Resolved to New

- Assignee set to Mathias Gurtner

I created a file with the codes of the Questionnaires in question (see attachment). Assigning this ticket to Mats so he can take further steps.

Update:

Mats mapped the questionnaires in question (only 2 because of status filter). He will update the Questionnaires directly in QT so the update script should work fine.
