History

#1 - 30 Aug 2016 14:58 - Lukas Vonlanthen

- Target version set to QA and QT migrated

#2 - 08 Sep 2016 10:19 - Lukas Vonlanthen

- Status changed from New to Resolved

Decision:

Where too many checkboxes are checked, map to comments (with rank of checkbox). Add to mapping messages.

#3 - 13 Sep 2016 07:53 - Lukas Vonlanthen

- Status changed from Resolved to New

Done.

Note that I did not add an extra comment where there are more than 2 checkboxes checked, since there is already the comment of format:

"Main goal: [all categories with value = 1], secondary goals: [all categories with value = 2 or 3]"
