QCAT - Task #1050

No header image

13 Sep 2016 07:55 - Lukas Vonlanthen

Status:	Closed		**Start date:**	13 Sep 2016
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:	QA and QT migrated		**Spent time:**	0.00 hour
Resolution:				

Description

For your information:

It is much easier to map all images to the image questiongroup (2.3 Photos of the Technology) instead of using the header image for the first image. This works in both details and list view but shows the first question of the form as "empty". Check with Mats if this is a problem.
