QCAT - Feature #1056

User Story # 1055 (Closed): Authentication against new wocat website

Make new authentication backend configurable

14 Sep 2016 11:12 - Sebastian Manger

Status:	Closed	**Start date:**	14 Sep 2016

Target version:		**Spent time:**	0.00 hour
Resolution:			

Description

Even though the new backend will be prepended to the configuration variable, provide an env-var to switch it off for performance reasons. No need to check it if it's not working yet.
