Target version: Carbon Benefit	Spent time: 40.00 hours
Resolution:	
Description	
Intro	
This is a technical task. At the core, the 'name' of the configuration is by now also used for the 'version'. As an example, there is only 'technologies', not 'technologies_1'. The name is reused for many component, which must be changed.	
Subtasks:	
Task # 1797: Naming issues: refactor	Closed
