Description

Description

The changes for the 'carbon benefit' project will create a second version of the questionnaire. This issue describes the process and estimate of how the new questions (in English) are put online. The tasks are:

- One meeting for handover and explanation of changes and what is expected
- Implementation of changes (only in English)
- Testing on qcat-dev.wocat.net
- Feedback loop(s)
- Release (going live)

Notes

- Final version of changes / new questionnaire is required (English)
- New and modified questions are not yet translated!

Subtasks:

Task # 1800: Implement changes for carbon benefit	**Closed**
