QCAT - User Story #1894

Allow editing cases over API

27 Sep 2019 14:52 - Kurt Gerber

Status:	Closed	**Start date:**	27 Sep 2019
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	100%
Category:		**Estimated time:**	0.00 hour
Target version:	Extend API to add cases	**Spent time:**	0.00 hour
Resolution:	fixed		

Description

To allow editing cases, we need to enable the download of 'mydata'. Which means: a list cases:

- of which the user has compiler oder editor rights
- for which a draft version is available

Subtasks:

Task # 1895: API endpoint to get mydata	**Closed**
Task # 1896: API endpoint to edit a case	**Closed**
