| <b>Problem:</b>   |              |                        |             |
| See <a href="https://qcat.wocat.net/en/wocat/list/?type=cca">https://qcat.wocat.net/en/wocat/list/?type=cca</a> or attached screenshot  |              |                        |             |
| The display of technologies and approaches relies mostly on two attributes: 'Name' and 'Description'. None of this exist in a CCA, as they are only understood as an extension to a technology. |              |                        |             |
| *Proposed solution"   |              |                        |             |
| <ul style="list-style-type: none"><li>• Instead of listing the CCA's directly, we should list the technologies which have a CCA added.</li></ul>  |              |                        |             |
