Description

In the search results list icons show linked Technologies and Approaches, so as soon Carbon Benefit Project Summaries.
https://qcat.wocat.net/en/wocat/list/?

This icon link leads to the view page of the Approach or Technology, but for the user the link to related Technologies/Approaches/Carbon Benefit Summaries is not available.

This link should lead the user to the bottom of the "view page" and expand all links and modules (see Attachment).

This issue should go inline with the linkage of the Carbon Benefit Project Summary on the WOCAT website.
