Target version:	WOCAT core productive release	**Spent time:**	0.00 hour
Resolution:			

Description

User Story

As a product owner
I want that all texts are translated before going productive
so no 'fallback' text is displayed on the website

Details

- Correct new texts (english)
- Clarify timeline with developers and translators
- Maybe: announce 'string freeze', meaning no original texts must be changed, so translators can finish their work

History

#1 - 11 Aug 2016 09:59 - Kurt Gerber

- Status changed from New to Closed
