Description

Notifications: improvements

This is a stub with ideas. Add more or discuss these with pm.

- on login: show messages such as 'you have been invited as editor for questionnaire x'
- 'I am finished' button for editors, so the compiler is informed that submission is requested.
- Add more filters (institution, project)
- Provide new type for 'qcat info' content which can be filled in by the secretariat, triggering a notification for all users

History
